PTI TERMINAL MODERNIZATION

Lindsey Architecture has worked with PTIA for the past 15 years, and President Rod Lindsey's relationship with them as their architect extends back even further. One of the most notable projects is the Terminal Ceiling Renovation, which was a major change on the upper level of the terminal. This renovation involved replacing a low, flat metal ceiling and raising it to create more visual interest and make the facility feel more spacious and modern, making an airy and comfortable impression. The addition of arches, accent lighting, and wood columns added warmth to the terminal and made it more welcoming for travelers.

HAPPY #WORKIVERSARY

Two Lindsey Architecture team members recently celebrated work anniversaries. Sam Franklin, AIA, senior project architect, celebrated two years with the firm. Amanda Wyrick, architectural designer, celebrated five years with the firm. We are thrilled to have them as a part of the LA team.

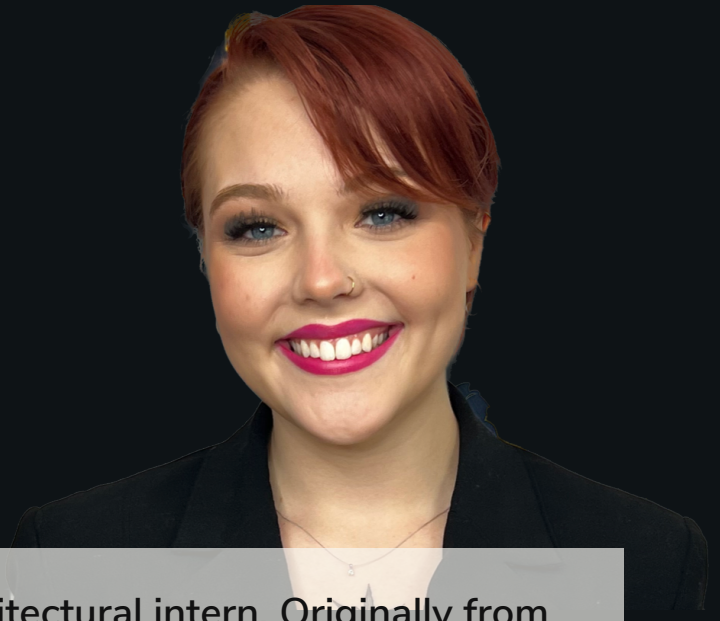

MEET THE TEAM

WELCOME BRANDON MIZE

Architectural technician by day, artist by night. Brandon recently joined Lindsey Architecture to support the architecture team as an architectural technician. He has two years of A/E/C industry experience and served in the Army National Guard as a 92G Culinary Specialist. In his spare time, he is a competitive wrestler, movie fan, writer, and builder. Brandon is married to his high school sweetheart and has two sons.

WELCOME TABITHA FRISBEE

Meet Tabitha, our summer architectural intern. Originally from Asheville, she lives on a farm in the Appalachian Mountains and became interested in design at a young age, working with her dad who was an independent contractor, building and finishing interiors on houses. In her free time, she enjoys reading, painting, forging knives with her dad, hiking, yoga, practicing mindfulness/meditation, and playing the piano. She is currently a senior in UNCG's Interior Architecture program with a minor in Historic Preservation.

SAVE THE DATE

15th Anniversary Shenanigans
October 19, 2023

We have something special planned to celebrate 15 years of architectural impact. We hope you will celebrate with us online and/or in-person, as you are a vital part of our success and our story.
