#LA15YEARS

GSC ZOO EXPANSION

One of our cherished, long-term clients is the Greensboro Science Center. Over the past several years, we've had the privilege of designing many animal habitats and architectural structures, including the award-winning Zoo Expansion. The expansion added approximately 11 acres to the 22-acre site, providing new exhibits for flamingos, red pandas, pygmy hippos, okapi, cassowary, and a cat complex, which are new animals to North Carolina that require accommodations to assist with breeding and support long, healthy lives. SAMET served as the CM@R.

HIGH POINT CHRISTIAN ACADEMY NEW GYMNASIUM

Delivered in partnership with SAMET as our design-build partner, the facility has an NCAA-regulation sized basketball and volleyball court, two cross courts, and bleachers, the 16,800 SF space is designed to hold 700 spectators and is scheduled to complete construction in the summer of 2024.

MEET THE ARCHITECT

Sam Franklin, AIA, NCARB, senior project architect, was honored to speak a few words during the groundbreaking ceremony to celebrate the owner's vision and the design goals. With 28 years of experience, he is passionate about capturing the aesthetic and culture of a client and centering his design around those nuances.

HIGH POINT CHRISTIAN ACADEMY GYMNASIUM GROUNDBREAKING

School administrators, faculty, staff, athletes, and the community celebrated High Point Christian Academy's new gymnasium with a Groundbreaking Ceremony on April 17 at the project site. With ceremonial shovels in hand, construction for the new standalone competition gym kicked-off with remarks from various stakeholders.

SAVE THE DATE

15th Anniversary Shenanigans
October 19, 2023

We have something special planned to celebrate 15 years of architectural impact. We hope you will celebrate with us online and/or in-person, as you are a vital part of our success and our story.
