

# SEASON FOR THANKS & GIVING

With the arrival of fall comes a season for change, renewal, thankfulness, and preparing for the next season of life.

I would like to take a moment to reflect on the tragedy in western North Carolina and to our friends, family, neighbors, clients, and colleagues in this region who are suffering due to Hurricane Helene. While the recovery will take months, even years, our neighbors are hurting and in dire need of support, supplies, prayers, and solutions. Please do what you can to aid in the recovery. It will take the generosity, time, manpower, and prayers of us all to restore basic services and some semblance of normalcy to this region. Together, we can - and will - make a difference.

Be safe, friends.

## BURRITO SHAK CELEBRATED GRAND OPENING IN JUNE

In June, we completed Burrito Shak's north Greensboro location, which included an interior fit out in what was previously a frozen yogurt restaurant. Burrito Shak celebrated with a "soft opening" on June 12, and we were on-site to join in the festivities. We couldn't leave without trying out some of the great food, as well. It's located in the Harris Teeter shopping center on Battleground Avenue. They would love to welcome you!
